EDUCATION

- M.Sc Computer Science with Specialization in Data Analytics(Pursuing)** *Sep 2023-June 2025*
Digital University Kerala, Thiruvananthapuram, Kerala
- B.Sc Mathematics(Percentage-73.4%)** *June 2020-May 2023*
Marthoma College, Tiruvalla, Kerala
- 12th Grade(Percentage-83.33%)** *June 2019-March 2020*
Nicholson Syrian Girls Higher Secondary School, Thiruvalla, Kerala
- 10th Grade(Percentage-97%)** *June 2017-March 2018*
St.Anne's Girls High School, Chengannur, Kerala

PROJECT EXPERIENCE

- Project on 'Bilinear Forms'** *June 2022-May 2023*
Project, Marthoma College, Tiruvalla, Kerala
 - The main aim of this project is to provide an introduction to bilinear forms and some of its basic properties and characterizations. It stands as a generalization of inner products on vector spaces over the real or complex fields.
- Project on 'Information extraction from finance-related documents using NLP'** *May 2024-June 2024*
Project, Digital University Kerala, Thiruvananthapuram, Kerala
 - This project involves the creation of a custom Named Entity Recognition (NER) model using SpaCy for extracting specific entities from financial documents. The model has been trained on a custom-annotated dataset to identify entities relevant to financial data.
- Capstone Project on 'Web Development'** *May 2024-June 2024*
Capstone Project, Digital University Kerala, Thiruvananthapuram, Kerala
 - This project is mainly a website of my favourite movies with trailers.
- Project on 'Stock Market Prediction Using LSTM and Federated Learning'** *May 2024-June 2024*
Project, Digital University Kerala, Thiruvananthapuram, Kerala
 - This project highlights the benefits of Federated Learning (FL) in stock market prediction, particularly its ability to enhance accuracy while maintaining data privacy. FL outperforms traditional models, especially when combined with LSTM networks, making predictions more reliable across major exchanges. By training models locally and sharing updates with a central aggregator, FL ensures data confidentiality and scalability. This approach represents a significant advancement in financial forecasting and secure data handling.
- Project on 'AI-Driven Crop Disease Prediction and Management System'** *Sep 2024*
Project, Digital University Kerala, Thiruvananthapuram, Kerala
 - We developed an AI-driven system that uses image analysis and real-time environmental data to predict crop diseases and provide treatment recommendations. A web-based platform enables farmers to quickly access insights, helping them prevent yield losses. The solution empowers farmers to act swiftly and manage diseases effectively.
- Project on 'Cryptocurrency Prediction'** *Oct 2024*
Project, Digital University Kerala, Thiruvananthapuram, Kerala
 - Built a deep learning model to predict cryptocurrency prices using historical market data.

ONLINE COURSES AND CERTIFICATES

- Google Cloud Career Launchpad Generative AI track from Google Cloud Skills Boost
- Google Cloud Career Launchpad Data Analyst track from Google Cloud Skills Boost
- 'Python Programming Language' certification course at Mar Athanasios College for Advanced Studies, Thiruvalla
- 'G-tec Computer Education' certification course at St.Anne's Girls High School, Chengannur

VOLUNTEERING

- Served as a Junior Red Cross Volunteer at St.Anne's Girls High School, Chengannur, Kerala
- Served as a National Service Scheme(NSS) Volunteer at Marthoma College, Tiruvalla, Kerala
- Member of Social Engagement Cell at Digital University Kerala, Thiruvananthapuram, Kerala

EVENTS

- Attended Smart India Hackthon(SIH) 2024 at Digital University Kerala,Thiruvananthapuram,Kerala

SKILLS

- **Programming:-** Python,R,C
- **Database:-** MYSQL,Postgresql
- **Web Development:-** HTML,CSS,Javascript
- **Documentation Tools:-** LaTeX,Gephi,Excel
- **Data Visualization:-** Tableau,Power BI,Matplotlib,Seaborn
- **Operating System:-** Windows,Ubuntu
- **Tools:-** GitHub,Streamlit
- **Data Science and Machine Learning:-** Numpy,Pandas,Scikit learn,Tensorflow,Deep Learning
- **Soft Skills:-** Teamwork,Communication,Adaptability,Time Management,Creativity,Leadership Quality

LANGUAGES

- English
- Malayalam
- Tamil
