PROJECT EXPERIENCE

Project on 'Study on People's attitude towards sex education'

Project, Assumption College

June 2022-May 2023

Changanassery, Kerala

In this project, we analyzed people's attitudes towards sex education by designing and distributing a survey using Google Forms. The survey included questions on the importance, timing, and content of sex education, along with demographic information. We used python code for analysis.

Project on 'Anime recommendation system using learning to ranking algorithm'

March 2024-June 2024

Project, Digital university Kerala

Thiruvananthapuram, Kerala

This anime recommendation system leverages a learning-to-rank algorithm. We trained the model using a set of features that enabled it to rank the dataset effectively, utilizing Python for both training and dataset creation..

Project on 'Custom named entity recognition for Indian legal domain'

March 2024-June 2024

Project, Digital University kerala

Thiruvananthapuram, Kerala

In this project, we collected data from Zenodo and labeled the dataset using a Named Entity Recognition (NER) annotator, allowing us to extract key details automatically without manually reviewing documents. This process ensured that important information was retained efficiently. The final model was then deployed in a Streamlit app for easy access and interaction.

ONLINE COURSES AND CERTIFICATIONS

- Data Analyst learning path
- Beginner:Introduction to generative AI learning path
- Intermediate:Gemini for Google Cloud Learning Path

- Advanced:Generative AI for Developers Learning Path
- Neo4j Fundamentals-[Google](#)
- Cypher Fundamentals-[Google](#)
- Graph Data Modeling Fundamentals-[Google](#)

VOLUNTEERING

- Member of Social Engagement Cell at Digital University Kerala, Trivandrum, Kerala, India

SKILLS

- **Programming:-** Python,basic R-programming
- **Documentation tools:-**LaTeX
- **Operating System:-**Windows, Ubuntu
- **Data Analysis:-**Numpy, Pandas
- **Soft Skills:-**Time Management, Communication, Adaptability, Creativity,Team work

LANGUAGES

- Malayalam
- English
- Hindi
