FATHIMA S RAHIM

DATA SCIENTIST | DATA ANALYST

I am a graduate in Statistics with a strong passion for transforming data into actionable insights that facilitate informed decision-making. Presently, I am pursuing a Master's degree in Computer Science with a specialization in Data Analytics. My objective is to excel in the role of a Data Scientist. Leveraging my robust statistical background, I am actively enhancing my expertise in advanced analytics and programming languages such as SQL, Python and R. I am eager to apply my knowledge to address real-world data challenges and drive meaningful impact in the field.
