Currently pursuing MSc in Data Analytics with a specialized focus in Computational Science, eagerly seeking opportunities to leverage my skills and knowledge in the dynamic field of data science. As a motivated fresher, I am eager to apply the theoretical knowledge and practical skills I have acquired throughout my academic journey to real-world challenges in the field.

Work Experience

Data Science Intern at Prodigy Infotech

During my internship at Prodigy Infotech, I gained hands-on experience in data analysis, machine learning and data visualization. Conducted data analysis, cleaning, and visualization tasks on large datasets, developed machine learning models for predictive insights.

Machine Learning Intern at CodSoft

Over the course of this internship, I was able to dive deep into the world of machine learning and artificial intelligence, honing my skills in data analysis, model building and algorithm implementation. Gained experience with algorithms like Logistic Regression, Decision Trees, and Random Forests.

Projects

News Summarization Application

Developed a news summarization application interface in Natural Language Processing, leveraging pretrained models such as BERT and T5 to produce concise summaries from news articles, supporting both abstractive and extractive summarization techniques.

V-Ride (A technical solution for the Tribal community)

Contributed to a DACE(Digital Access For Community Empowerment) program team project proposing a mobile ride-sharing application designed for Vithura, tribal community.

Skills

Python • R Programming • Machine Learning • Natural Language Processing • LaTeX • Gephi •
Data Analysis • Deep Learning • Power BI • Data Visualization • Generative AI •
Big Data Analysis • SQL

Education

2023 – present	M.Sc Data Analytics with Specialization in Computational Science, <i>Digital University of Kerala</i>
2020 – 2023	B.Sc Mathematics, <i>University of Kerala</i> CGPA: 8.87
2018 – 2020	Higher Secondary, <i>Kerala State Higher Secondary Board</i> CGPA: 9.5
2017 – 2018	SSLC, <i>Kerala State Board</i> CGPA: 9.5
