

ASWATHY LOFY RAJ

Thrissur, Kerala, India — aswathylofyraj@gmail.com — +91 7306198414

OBJECTIVE

Highly motivated and ambitious Data Science student with a strong foundation in data analysis, transformation, and machine learning, seeking a trainee role to contribute to innovative, data-driven solutions. Passionate about leveraging machine learning techniques to solve real-world problems, create actionable insights, and drive meaningful business outcomes.

EDUCATION

Digital University Kerala Thiruvananthapuram

MSc Computer Science and Data Analytics

Present

Vimala College Autonomous Thrissur

BSc Physics

2020 - 2023

KEY SKILLS

- **Programming:** Python, R
- **Data Processing:** Data Cleaning, Data Transformation
- **Machine Learning:** Predictive Modeling, Classifiers, Supervised and Unsupervised Learning
- **Deep Learning:** Keras, TensorFlow; basics of CNNs for image processing
- **Natural Language Processing:** Sentiment Analysis, Named Entity Recognition
- **Data Science Concepts:** Exploratory Data Analysis (EDA)
- **Data Visualization:** Power BI, Tableau, Matplotlib
- **Databases:** SQL, PostgreSQL

CORE COMPETENCIES

- Analytical Thinking
- Problem Solving
- Collaboration
- Adaptability and Curiosity
- Team Leadership
- Persuasive Communication

PROJECTS

- **Emotion-Based Music Recommendation System**
Designed a system that suggests music based on detected emotions, enhancing personalized listening experiences.
- **Anomaly Detection for Security Surveillance**
Utilized zero-shot learning techniques to detect unusual patterns and objects in surveillance footage, aiming to improve security through AI-driven insights.
- **Entity/Key Phrase Extraction from Disaster Tweets**
Applied NLP to identify critical entities and phrases in tweets, enabling real-time analysis for crisis management.

LEADERSHIP AND EXTRACURRICULAR ACTIVITIES

- **Yellow House Vice Captain** - Digital University Kerala
Played a key role in organizing, managing, and leading house activities, fostering teamwork and collaboration among students.
- Active participant in university cultural and technical events.

CERTIFICATIONS

- **Google Cloud Career Launchpad - Data Analyst Track** - Google cloud Skills Boost
- **Google Cloud Career Launchpad - Generative AI Track** - Google cloud Skills Boost
- **Introduction to Data Science** - Cisco Networking Academy
- **Graph Data Modeling Fundamentals** - Neo4j

WORKSHOPS

- **Power BI Workshop** - Jobaaj Learnings
- **Tableau Workshop** - Jobaaj Learnings
